+ Labor)

MOTORHOMES

\$130

(3 Gal Antifreeze
+ Labor)

**FREE ROOF
INSPECTION!**

(additional rates may apply)

*Complimentary Coffee, Cider,
and Donuts while you wait!*

Winterization service bypasses the water heater and circulates RV antifreeze throughout the plumbing system. We protect all applicable faucets, showers, toilets, low-point drains, outside spray ports and city-water connections to help prevent costly freeze damage. All holding tanks and the fresh-water tank must be completely drained before arrival.

ADDITIONAL WATER-FED APPLIANCES

Additional charges apply for residential refrigerators, ice makers, dishwashers, washing machines and other extra water-fed appliances. See service advisor for details.
